#### Form OR-EXT-CAT

9/04/2024 Updated guidance: For tax years beginning on or after January 1, 2024, a seven-month extension to file the CAT return is available. Taxpayers don't need to show good cause to obtain a filing extension. An extension to file isn't an extension to pay. CAT taxpayers who have an extension to file their federal income tax return from the IRS will automatically be allowed a seven-month extension to file their CAT return. If you have obtained a federal extension, you don't need to request a separate extension to file for CAT. Taxpayers are not required to submit a copy of their federal extension in order to obtain an extension for CAT. However, taxpayers must retain a copy of the federal extension and provide to Oregon Department of Revenue upon reguest. 4/22/2022 Updated guidance: This form is available in our software effective with release 21-4.5F on 4/22/2022.
